Home

This module canvasses selected aspects of the regulation of electronic transactions under South African law.

With appropriate adjustments, this module can be used for either postgraduate or undergraduate law students. It may also be supplemented with a general introduction to law and used for non-law students.

To download the entire package as a zip file [click here](#).

We would appreciate your feedback for this open educational resource (OER) by completing [this form](#). Alternatively, you can email us at ctranslaw.uct@gmail.com
